London Field

Allegheny, July: 17. [1843]

My Dear Brother

Sunday - if you can make it with
 your convenience - as on that day I can give you some
 time. Dinner at 3. We can then have a
 'talk' de ministeribus & quibusdam aliis.

How comes it to pass that Brother Leavitt has
 never come to see me? Is it with him and me, is it
 was with the high school - his Corps - that we are not
 on speaking terms? Yours & his fraternally & cordially
 James Leavitt
